10:00am.- 6:00pm.

The one-day workshop, a combination of lecture and photo shoot with the international professional models with hair, makeup and fashion styling provided.

We will share an essential fundamental as well as the fine elements of creating fabulous beauty and fashion photographic images.

**Morning session:**

1.From Creative to production.

Learn How to work with the Creative/Art director and the hair/make up artist on the given brief.

2.Slide presentation: ( While the model get make up and hairdo)

Review what are the key elements of a great portraiture picture.

Review the actual professional works including real published prints.

3.Discussion: What is your goal/objective for this career?

4.How to get customer to hire you and how to manage to get paid professionally.

5.Copyright and model release.

**Afternoon session:**

1.Understand the light ( Studio Strobe lights and Continuous lights )

2.Shooting section: **Bring your own camera, require shooting RAW.**

3.Reviewing the work:

Creative/Art Director and photographer will choose 1 best picture of your batch, then instruct how to process and Photoshop it to the professional print level.

( This is an on-going process, we require you to go home to develop your picture and adjust/refine your work according to the instruction)

**F&B:**

We provide morning coffee/tea with light snack.

Lunch is included
